

Rules of the Road (Completely Executed Objects)

- Make a numbered list of 6 UFOs you want to complete in the next six months (February through July). The UFO can be a quilt that just needs a binding, or something that you've only cut out, or anything in between – it needs to be a quilting project that is started but not finished. (Quilted apparel, purses, or totebags are not eligible for gift cards or points.)
- Circumference of your project should measure at least 120".
- Lap size or smaller must be completed – i.e., quilted with binding – to qualify as a project.
- Larger than lap size must be at least a completed top. If a larger than lap size quilt is already quilted, completing the binding is an acceptable project.
- Put the list in the order that you plan to work on your projects: 1 = February, 2 = March, and so on.
- Email us a copy of your contract (send it to thequiltery@earthlink.net) or bring a copy to the store (be sure to include your email address). You don't have to use our form.
- Keep a copy of your contract for yourself. Just one contract per person, please. No changes allowed during the 6 months! No exceptions!
- Win a \$10 gift card each time you meet a goal – i.e. have completed your chosen project within the time that you set yourself.
- Win points as follows when your project meets your deadline:
 - King/Queen size, binding only...2 points
 - Other size, binding only...1 point
 - Piecing top larger than 120" perimeter...2 points
 - Quilting + binding...3 points
 - Piecing top + quilting + binding...5 points
 - Completing 6 projects on time...6 points
- On the fourth Sunday afternoon of each month you can come to The Quiltery and work on your project. Or just bring in your completed project for a photo shoot if you haven't done so during the month. (The exceptions are April and July when it will be the 5th Sunday.)

Or you can email a photo/bring in your completed item before the Sunday deadline. We need to see the completed project for you to qualify for the gift card and bonus points.

There will be a **CEO Celebration Party** on Sunday, August 26th at 2 p.m. Grab and prizes for the three people with the most points.
