

SUPPLIES

FABRIC

- Background fabric
 - Cut 12" x 12" squares from a light, neutral background that contrasts well with the fabrics used for the stars.
 - The project you choose determines how much background fabric you need. You can make three star blocks for a table runner or you can make a throw with 20 blocks.
- Star Fabric
 - Bring a tub of scraps that are not wrinkled. The scraps do not need to be large. You will use some fabrics about 6 inches long and perhaps 3 inches wide. Some pieces can be as small as 1 inch x 1-1/2 inches. If you'd like, the group can share scraps.
 - If you don't like the scrappy look, bring about 15 different fabrics in colors of your choice.
- Sashing fabric

NOTIONS

- Sewing machine in good working order with extra needles
- Basic sewing supplies
- Rotary Mat and Cutter with a sharp blade
- 6" X 24" Ruler
- Neutral thread for piecing and two filled bobbins
- Marking pen
