

Beyond Stitch in the Ditch Using Your Domestic Sewing Machine

Monday, January 30th and Monday, February 6th... 9:30a-3:30pm

Information and Supply List

Linda introduces you to the process of free motion quilting:

DAY 1: Learn to develop free motion confidence while practice stitching on fabric and batting squares (batts).

Day 2: Put your skills together in a small sampler. Linda will provide the sampler materials. She will also do a demo on how to machine quilt a queen-size quilt on your domestic sewing machine.

SUPPLIES

- Sewing machine with ability to do "needle down" and lower or cover feed dogs
- Free motion or darning foot
- Quilting needle (size 80 or 90)
- Thread (Cotton or polyester)
- Wound bobbins (2 suggested)
- Regular sewing tools... scissors etc.
- 10 muslin batts approximately 12" x 15"....To make batts: cut two pieces of muslin and one of batting 12" x 15". Spray baste one piece of fabric, lay batt on top of sprayed side. Spray baste the second fabric, lay sprayed side on batt.
- Pencil and spiral notebook-sized paper for notes and to practice patterns developing muscle memory.

***This is NOT a beginning sewing class. Registrants must know how to work their machine and have also done some "stitching in the ditch" and perhaps have tried "free motion stitching".
